

Skinner West Classical, Fine Arts & Technology School

Grades 3-5 Science Supply List

2017 – 2018

Each student will keep all of his or her science materials inside a single binder. This will help ensure that science notebooks do not get lost, and that students will come to class prepared with all of the supplies they need each day. To set up the binder, you will need:

- A **1.5" 3-ring binder**, with folder pockets inside the covers. Please label the binder with your full name and the word Science.
- A **3-hole punched notebook** with your full name and the word Science.
- A **3-hole punched Science-Only Pencil Case** containing:
 - At least **three sharpened pencils** and a small **sharpener**
 - **Glue Sticks**
 - **Scissors**
 - **Crayons and/or colored pencils**
 - **Earbud headphones**

Please replenish items in your pencil case as needed. We will use glue sticks almost every day!
